SunActive®

Stability • Palatability • Tolerability • Bioavailability

The SunActive series offers unique fortification and dispersion of functional ingredients with no off flavor or instability. SunActive offers sustained release that is mild on the gastrointestinal system, has an improved absorption and is stable against heat, salt, pH and oxidation. SunActive series includes Iron, Calcium, Zinc and Coenzyme Q10.

SunAmla®

The Ayurvedic Superfruit!

SunAmla, produced by a water extraction of the Indian Gooseberry, is the perfect Superfruit for use in dietary supplements, nutritional bars, beverages, powder drink mixes, cereals, jams, yogurt and dairy products. SunAmla packs a potent punch of polyphenols and antioxidants together with a distinctively mild astringent flavor.

Sunfiber®

Invisible Fiber - Visible Benefits

www.sunfiber.com

Sunfiber is an all natural, galactomannan based soluble fiber made from guar bean. Tasteless, colorless and odorless, Sunfiber has no visible effect on your product but significantly boosts its health benefits and improves functionality in foods and beverages. It delivers high soluble fiber content with low caloric contribution (1.9 kcal/gram) and exhibits excellent stability. Sunfiber is a true regulating fiber that not only helps with constipation, but uniquely helps with occasional diarrhea as well, returning stool content to a normal healthy state without the typical bloating, cramping and gas production of other fibers.* Sunfiber is 100% Gluten Free, Low FODMAP Certified, GRAS (self affirmation), non-GMO Project Verified, certified Kosher and HALAL.

The Award-winning line of standardized green tea ingredients

www.sunphenon.com

www.teavigo.com

The Sunphenon® series, including the Teavigo® brand, consists of standardized tea polyphenols and natural catechins that have been shown to have numerous physiological benefits, including antioxidant, anti-microbial, deodorant and thermogenic activities.* Sunphenon® and Teavigo® are produced from pesticide controlled green tea leaf, extracted via a water infusion process and decaffeinated using only approved food grade solvents. Taiyo's green tea extracts comply with the strict U.S. FDA pesticide regulations for tea and are produced in an FSSC Certified facility.

Suntheanine®

The award-winning, patented dietary ingredient for stress and well-being.

www.suntheanine.com

Taiyo's exclusive brand of pure L-theanine, the award-winning, patented amino acid for stress, mental relaxation and focus without drowsiness.* Suntheanine® is GRAS (GRN 000209), non-GMO Project Verified, Kosher and HALAL.
